HEIL OFFERS FINANCING AND LEASING OPTIONS THROUGH NATIONAL MACHINE TOOL FINANCIAL CORPORATION

Chattanooga, TN. (April 21, 2010) — Heil Environmental and National Machine Tool Financial Corporation have announced an alliance to provide financing and leasing programs for the purchase of Heil refuse collection vehicles.

Heil Environmental is the industry leader in specialized truck body manufacturing and product support, and produces the widest variety of refuse collection bodies available, including Front Loaders, Rear Loaders, Side Loaders, and Recycling Units.

Since 1986, National Machine Tool Financial has specialized in the financing and leasing of new and used equipment throughout the United States. This alliance with Heil Environmental will provide Heil Dealers and end user customers tailored attention and a wide variety of financing and leasing options, such as 100% financing programs with terms from 12 to 84 months and leases with excellent residual values.

According to Ken Beaver, Heil's Director of Marketing, "In today's economic environment, haulers and municipalities face many difficult challenges in refreshing and upgrading their fleets of refuse collection vehicles. National Machine Tool Financial's breadth of leasing and financing options gives our customers another choice, and we are excited to have this relationship with them."

For more information about these Heil programs, please contact Chris Chiappetta or Rick Lang at National Machine Tool Financial Corporation at (800) 669-7527.

Dover Corporation is a global portfolio of manufacturing companies providing innovative components and equipment, specialty systems, and support services for a variety of applications in the industrial products, engineered systems, fluid management, and electronic technologies markets. For more information, please visit www.dovercorporation.com.

Heil Environmental, established in 1901, is the first ISO 9001:2000 certified manufacturer of refuse collection bodies in the United States. Heil is the industry leader in automated waste collection technology and offers the broadest product line, including front loaders, rear loaders, side loaders, and recyclers. OEM and aftermarket replacement parts are available through Parts Central. Heil is a Dover Company.
