

COMPREHENSIVE ONLINE OR FACTORY TECHNICIAN TRAINING

Reserve Your 2025 Classes Now!

Help your technicians take their knowledge and operational efficiency to the next level with comprehensive Nextelligence Training Programs for Heil, and 3rd Eye products. Our industry-leading curriculum is designed to empower your technicians with deep technical knowledge, advanced troubleshooting skills, and improved repair and maintenance abilities.

Product Specific Maintenance, Adjustment, And Troubleshooting (MAT) Training!

Our most popular training course with thousands of trainees to date can be conveniently completed at either our Fort Payne, AL factory, live webinar-based training or by on-site events. The revised curriculum includes a student guide and dedicated, “hands-on” sessions for each class. A course completion certificate will be awarded for each product course completed.
